## Professional Summary:

Recent graduate with a BFA in Illustration. Seeking work as an illustrator, designer, and cartoonist with a passion for strong visual narrative, and an eagerness to further develop artistic abilities. Skilled in digital art, traditional art, and graphic design.

## Expereince:

**Student Technician, Flex Lab at Kendal College of Art and Design**  
17 Fountain St NW, Grand Rapids, MI 49503  
March 2023-Present

Applied skills:

- Help students/faculty/alumni with various projects utilizing Large Format Epson Printers, Vinyl Cutting, Laser Cutting and Engraving, and PLA/Resin 3D Printing.
- Knowledge with CMYK printing processes, and setting up documents in the correct color profile.
- Real-time problem solving with technology and individual projects.
- Maintaining and keeping tabs on customer projects making sure clients received their prints and were satisfied with results.
- Creating posters and branding as needed based off of a pre-existing brand style guide.

**Freelance Design Commissions**

2018-Present

Work for private client, businesses, and local schools.

Applied skills:

- Created Branding Materials, Illustrations, and Miscellaneous Graphics.
- Collaborative creative process with client, and development of client relationships.
- Worked with (or without) a deadline and completed commissions in a timely manner.

**Mural Installation**

55 Ottawa Ave SW, Grand Rapids, MI

2024

Applied skills:

- Mural installation and large scale painting.
- Collaborated with fellow KCAD illustration student Leilah Hollenbeck to create a Mural Design based on client's desires.
- Frequent communication with client throughout process.
